HEADMASTER'S WELCOME

Dear De La Salle Holy Cross College Community,

It is my privilege to welcome you to Stanford Lake College for this Sports and Cultural Exchange. We value opportunities such as these, where young people come together in the spirit of healthy competition, mutual respect, and shared purpose.

This exchange represents far more than results. It provides a platform for the development of character, resilience, and meaningful relationships. Whether on the rugby and hockey fields, the netball and squash courts, or through the support shown from the sidelines, we trust the weekend will reflect the very best of school sport and community.

We are grateful for the relationship between our schools, one founded on respect and a shared commitment to the holistic development of our students. Occasions such as this serve to strengthen these ties and create lasting memories for all involved.

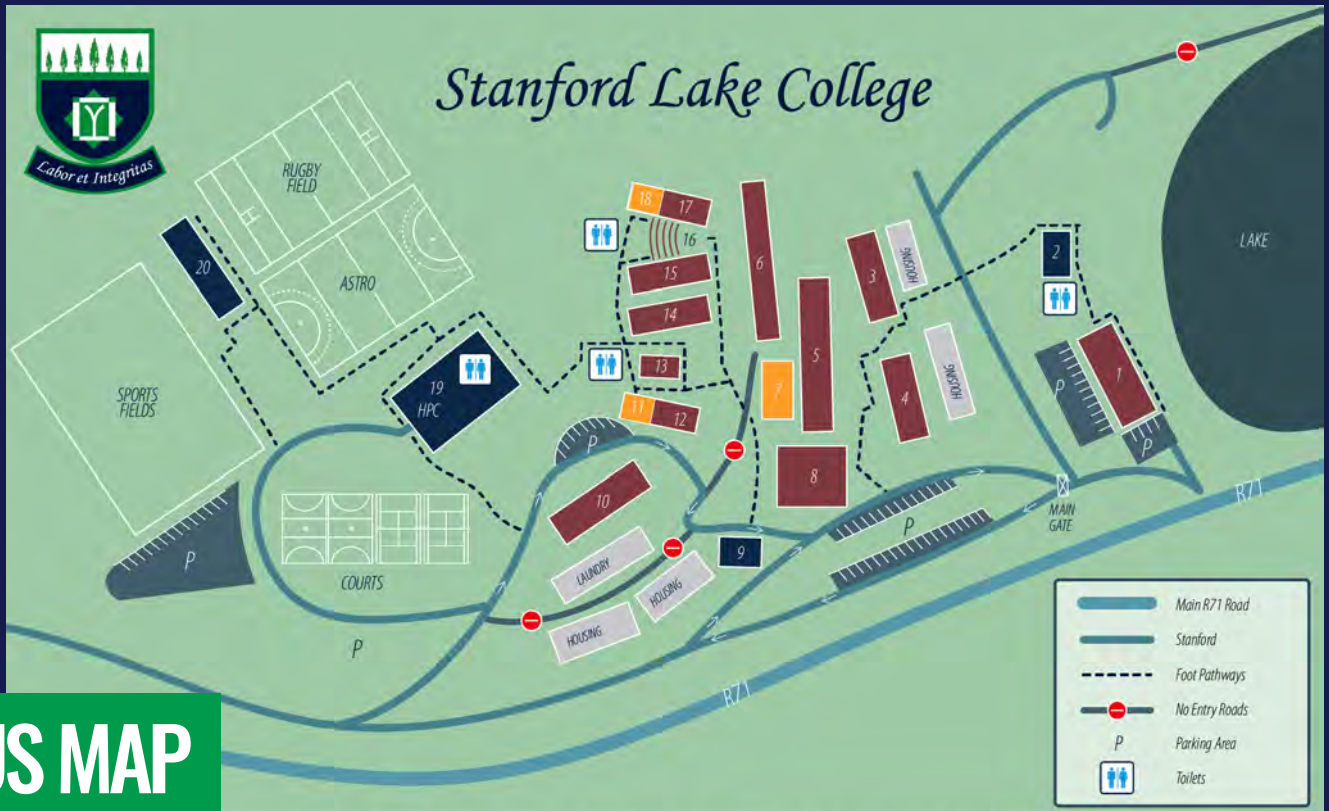

My sincere thanks to the staff, parents, and supporters whose presence and encouragement contribute so significantly to the success of this exchange.

We wish all players, coaches, and supporters an enjoyable and rewarding time at Stanford Lake College.

Warm regards,

Pierre Jacobs
