SIGNING OUT PROCEDURES

Signing out during the week

Pupils may only sign out during the week to spend the night at their own homes for valid reasons. The House Master/Mistress (HM) must receive digital permission (email, WhatsApp etc.) from the parents the day before, stating the reason for going home, who will be collecting the pupil, and when the pupil will return. For regular weekly trips e.g. ballet, extra lessons, etc., one letter may be given to the HM to cover the entire term. Before leaving the pupil must get a completed and signed weekday exeat slip from their HM, School Nurse or the Boarding Logistics Coordinator . This slip must be handed to the security guard upon exit.

SCHOLAR EXEAT SLIP

Should you need to leave campus before 17:00 for a medical reason or other valid reason, please ensure this slip is completed and handed in at Security. Pupils may not make private arrangements to be taken home when ill. These arrangements must be made through the School Nurse.

The following pupil has permission to leave the campus early for the reason stated below:

NAME OF PUPIL	DATE
_____	_____
TIME OF DEPARTURE	STAFF SIGNATURE
_____	_____
REASON FOR LEAVING	

(to be signed by either the Housemaster / Housemistress, or the School Nurse)

Signing out for the weekend

The pupil fills in the signing out file in his/her boarding house (example below) by Wednesday so that details can be checked by the HM. The driver's full name, contact number and the destination are required.

Surname	First Name	Out	In	Area	Destination	Drivers Name	Drivers no.	Signature
<i>Eg. Average</i>	<i>William</i>	<i>Friday</i>	<i>Monday</i>	<i>Polokwane</i>	<i>Home</i>	<i>William Average</i>	<i>082 345 6781</i>	

It is presumed that, at the weekends, as a rule, pupils are going to their own homes and being signed out by a parent. There are exceptions to the above pattern:

- If the pupil is going home but not with their parent - it is possible for the parents to nominate certain people who are regularly allowed to sign their child out. This could be in the case of a lift club. A permanent record is kept of each child's signing out list. To add people to your child's signing out list send a letter to the HM with the details of the person you wish to be added to the list. The pupil's signing out list is kept by the HM and is checked before the signing out books are sent to the office on a Friday morning. The teacher on duty may ask the person fetching your child to produce ID as proof of their

identity.

- If the pupil is going to someone else's house - the parents must send digital permission, the day before stating which adult (not fellow pupil) their child will be signed out by and where they will be going. Please ensure that your child has planned their outing and is not going to try to make last minute changes. Once a person signs a pupil out, they are legally responsible for them until they return to school and that responsibility may not be passed over to a third party. Should anything happen to that child the person who signed them out may be held legally responsible. The teacher on duty may ask the person fetching your child to produce ID as proof of their identity when collecting and signing out pupils on Fridays.

Members of the boarding house staff will not be involved in lifting pupils to and from their destinations. If the pupil wants to attend a function they need to have arranged their transport and somewhere to stay and have the full, informed consent of their parents as expressed in a detailed email to the school. The school needs to know that the parents know where their child will be and with whom they will be travelling. Pupils may not sign each other out.

Please note: The signing out book is, in effect, a legal document transferring responsibility for the child from the school to a parent or third party during the week or over the weekend and is designed to protect your child.

When a pupil is signed out they are only allowed to return to the boarding house on Sunday after 14:00 and not before or during the weekend.

Pupils returning on Sunday must be in the boarding houses by 18:00.

Use of Mobile devices in the Boarding House

Preamble:

Stanford Lake College (SLC) is mindful of the technological advances that are taking place in the world around us. It also recognizes that laptop and tablet computers can play a significant role in advancing educational objectives of pupils at SLC. It is also important to accept, however, that laptop computers, if not made use of in an appropriate way, can detract from the educational process. It is for this reason that a clear set of rules is presented below with regard to the use of laptop computers in the SLC Boarding Houses.

The Rules:

- Laptop and tablet computers may be used in the SLC Boarding Houses conditionally. These conditions are as follows:
- The primary purpose of using a laptop or tablet computer at school is to enhance the learning process. Laptop and tablet computers may, therefore, be used during prep sessions under the following conditions:
- They may be used for word processing, spread sheet work, preparing power point presentations and doing research from CD's or the internet. All of these activities should be done in silence or with headphones if sound is required for any of the activities mentioned.
- The use of a laptop or tablet computer must not disturb any other boarder doing prep.
- Laptop or tablet computers may not be used to watch DVD's or listen to CD's during prep or after lights out.
- Laptop or tablet computers may not be used, in any form, by Grade 8 to Grade 10 pupils after 21h15 (start of quiet time) in the evening.
- Grade 11 and 12 pupils may use laptop or tablet computers (as outlined in 1. above) after 21h30 in the evening but not later than 23h00, if they have permission to do an extended prep session.
- All laptop and tablet computers remain the complete responsibility of the owner. SLC will not take responsibility in any form for damage or loss of a laptop or tablet computer that has been brought to SLC boarding house.
- There will be consequences for the misuse of laptops or tablets which may include having these confiscated for a stated period.

Cellphones : Refer to Annexure K-Mobile Device Policy.

Care of Boarding Houses

At the beginning of every year pupils must update a Condition of Room Form. This form lists any faults that might exist in the room and damage that is pre-existing. Once pupils have correctly filled in the form and signed it they will be held responsible for any further damage that occurs to the

room and will be charged for the necessary repairs.

Pupils should report any breakages/repairs to their HM or AHM immediately. The HM will coordinate these and report these breakages/repairs to the Estate Manager who will arrange to repair them.
