## Matters of Principal

*"Excellence is never an accident. It is always the result of high intention, sincere effort, and intelligent execution." – Aristotle*

We have had another busy and productive week at Stanford, filled with learning, some achievements, and community engagement. The term is, certainly, in full swing. As we continue to strive for excellence, we are excited to share an important upcoming initiative with you.

We are pleased to inform you that our school will soon be undergoing a School Quality Assurance Process through OISESA. This is an important opportunity for us to engage in a comprehensive and reflective evaluation of our school's strengths and areas for growth.

As part of this process, there will be an extensive analysis of our current practices, ensuring that we continue to provide the best possible educational experience for our students. The review will include pupil, parent, and staff surveys, allowing all voices within our school community to be heard. More information regarding the roll out of this will follow in the next few weeks.

This reflective journey will help us celebrate our successes, while also identifying ways to further enhance our school environment. We encourage all parents, students, and staff to participate fully and openly in this process. Your feedback is invaluable in shaping the future of our school.

We look forward to working together on this collaborative effort and we will keep you informed as the process unfolds. Thank you, as always, for your ongoing support and commitment to the Stanford school community.

Warm regards,

# BADGER OF

# THE WEEK

Congratulations to Joshua Doolabh who is our latest Badger of the Week.

Joshua has shown great tenacity and courage this athletics season. Well done, Josh!

## LIMPOPO SWIMMING; SCHOOL CHAMPIONSHIPS

Over the first weekend in February, Dario Wasley participated in the Limpopo Swimming School Championships - a gala to select the Limpopo Schools Swimming team that will attend the SA Schools competition in Bloemfontein in April.

Dario excelled in all his breaststroke events, securing first place in the 50m, 100m, and 200m races. He also competed in the 50m Butterfly, Backstroke, and Freestyle events, as well as the 100m Freestyle, all within the under-16 age group. We wish Dario the best for his potential selection to the Limpopo team and eagerly await the announcement of the final list.

Unfortunately, Andreas Toulou and Alessia Dowle were unable to start the gala due to a chlorine issue on Saturday morning. We wish them both a swift recovery and look forward to seeing them back in the pool soon.

### PARENTS ASSOCIATION AGM

**SAVE THE DATE:  
19 FEBRUARY**

9:00 - Parents Association AGM (LO classroom)  
10:30 - 12:00 Parents meet Teachers
