3. PLACEMENT TEST

Each child applying at Stanford Lake College must write a placement test. This test is written when your child is in Grade 7 and is arranged during our annual Open Weekend. If your child is unable to attend our Open Weekend, an alternative date will be scheduled for them to write their placement test after the Open Weekend. The test entails an English & Mathematics paper based on the current Grade 7 curriculum.

4. OPEN WEEKEND

Stanford Lake College hosts an Open Weekend every year during March for interested Grade 6 and 7's. The Open Weekend starts on a Friday afternoon and ends on the Saturday by midday. The event provides parents and students with an informational tour, presentation and educational activities during the course of the Friday afternoon. This leads to evening activities for the students to stay over for the night in our boarding houses and to continue with further outdoor adventure activities on the Saturday, to provide them with the ultimate Stanfordian experience.

Open Weekend dates are confirmed at the beginning of each year and bookings are essential. A completed Open Weekend form must be submitted with the proof of payment of **R385.00 per child** and must be paid into the account above with **reference: O/W Child's Name and Surname** to secure your child's place for the Open Weekend.

All applications received will then be carefully assessed and considered. Official letters are emailed to parents to let them know of the decision by the end of second term.

8. OTHER EXPENSES (TO BE PAID BY PARENTS)

The tuition fee includes print stationery, insurance, Trek fees, Olympiads and the IEB examination fees. The only additional cost/fee that will be charged to the school fee account is textbook charges, the reason for this being that the cost of books varies from subject to subject. Books returned by pupils at the end of the year are credited against the textbook charges for the new year.

Please note that all optional extras will be driven through the online platform, ALLXS, including bus fares, uniform, weekend meals, tours, diaries, courses, etc. If you have any queries, please contact Mrs Chantel Friedrichs in the Accounts Office: accounts@slc.co.za.

9. SCHOLARSHIPS / BURSARIES

Scholarship and bursary applications close at the end of August every year for the following year. Scholarship and bursary applications can be made at any time during the admissions process, however, will only be considered once your child has received an acceptance letter from the school and has confirmed their registration fee payment.

A limited number of Scholarships are awarded by the College each year and allocated on academic or sporting merit. Such scholarships are subject to certain conditions and will be applicable, as long as the recipient adheres to the values of the school and maintains their involvement in the activities for which the award was made. Bursaries are awarded on a need basis by the College, when funds are available. Financial assistance will be evaluated from year to year. Bursaries only cover a percentage of tuition (ie does not cover boarding or extramural expenses) which are paid quarterly towards the pupil's tuition account however, the balance still has to be covered by the pupil's parents.

10. DEBENTURES

Every student attending Stanford has to make use of a debenture. Such use is either acquired by purchasing a debenture or using a debenture owned by someone else, which the school would facilitate. A debenture that is purchased can be sold once the student has left Stanford Lake College. The value of debentures is fixed at R35 000 and may be increased by the board of trustees in future. When using another person's debenture, debenture rental will be charged to your school account per term. The debenture rental amount is determined by the board of trustees on a yearly basis in conjunction with the new year tuition and boarding fees. We would encourage parents to purchase a debenture as it has value and amounts to the best value for money over time.
