

# SNAP SHOT

Stanford Lake College

ISSUE 1 of 2019 - 18 January

## Welcome

Stanford Lake College would like to take the opportunity to introduce our new Headmaster, Mr Alan Redfern.

Alan joins Stanford from Grahamstown where he was the Deputy Head of St Andrews College for the past six years. Alan's career in education in South Africa spans more than 20 years and he brings a wealth of experience and knowledge with him.

Alan says, "I have always viewed education as the most valuable gift a parent can give his or her

child, I believe in the uniqueness of every child. Education needs to open one's mind, to create a knowledge of self-awareness and to awaken and expand the spirit to the immeasurable power of being human."

Alan is a keen follower of sports and has participated in a number of multi day sports events, including the Duzi Canoe Marathon and numerous Mountain Bike stage races.

Alan played representative hockey and recently resigned as the Convener of the South African U/18 Boys Hockey Selection committee. Alan is supported by his wife Dionne and his two children, Megan and David.

All at Stanford Lake College are excited to embark on the next phase of the school's ever-growing journey, with Alan at the helm.

## New Staff

Mrs. A Schoeman  
- English, History

Mrs. A White  
- Business Studies

Mrs. B Coetzee  
- Marketer

Ms. N Verreyne  
- Assistant Marketer

## Grade 8's First Day

## Bowling for greatness

Lance Trueman, Junior Netsh-tuni and Thomas Mayes were selected to represent Limpopo U/17s in the inter-provincial cricket tournament that was held in Durban over the December break. Lance took the man of the match title in their first game against KZN with 3-32 in 10 overs including 5 maidens.

His performance with both the bat and the ball throughout the tournament earned him an invite to the Protea's net sessions prior to the first test against Pakistan at Supersport Park in Centurion. Lance was given the opportunity to bowl to the Pakistan team.

## Making memories to last a lifetime

On Saturday, December 1, teams Ubuntu (consisting of Casper Venter, David Pullinger, Danica Altenroxel and Reuben Middleton) and Tshanduko (Marthinus Maritz, Jarred Gosling, Llewellyn Rogers and Heidi Katzke) together with parents and the adventure staff embarked on a 4500 km journey to Mkushi, Zambia to compete in the 21st Adventure Challenge for Schools™.

After four days of hard racing, team Ubuntu won overall as well as the Grand Challenge. Tshanduko finished in third place - also winning the Grit trophy for the way they handled themselves during the tough times of the race.
